Spoken word:

I gotta stay prayed **up**
And I do it with great **love**
devil hate that I'm standing **up**
I get grace from the man **above**
Drip drip like holy **water**
take lifts with the holy **father**
For my soul I just keep it **honest**
And the blessings just keep on **coming**

gotta make sure its **standard**
prayer hands to the **sky**
make sure my people **understand it**
just **believe**
when I feel **stressed**

& I do what I need and
blessings keep on
falling like the **leaves**
Its all part of the **plan**
no need to mention **them**
The Lord Got all of the **fans,**
never idolizing a **man**
there is a brighter day **coming**
Patience just wait **on it**
Everyday I wake up **breathing** its a
great moment

Am G#dim
I breath in and breathe out
Am / Bdim
Your unending grace
Am G#dim

Your presence so strong in me
Am / Bdim

Take me up to your **grace**
a place way above **space**
God illuminate the **sky**
now thats the ultimate **vibe**
Now we don't walk - **we fly, we glide**
got a big ol heart that's **inside**
So I... gotta **provide**
words of **strength**
words of **power**, no 50 cent
I encourage **doubters**
turn the **Pages, Elevating**
It gets greater **later**
I should tell my **neighbor.....**
never too late for **praying**
never too late to **wake up**
So the good word I run & **tell**
And show what my soul is **made of**
